Thank you

for supporting Investing In Our Youth.

We are a local non-government organisation that supports the healthy growth of young people.

Proceeds of this raffle will go directly to:

- Targeting youth binge drinking
- Supporting youth development programs
- Linking services so that young people and children get the help they need

Buying a \$100 raffle ticket is a good opportunity for you to invest in a better future for young people in the South West. Only 200 tickets will be sold.

Best of luck! I hope your generosity is rewarded with a winning ticket.
