- Willingness to work additional flexible hours if required

About Investing In Our Youth

Investing In Our Youth is a dynamic local not-for-profit community based organisation that promotes the healthy development of children and young people. It does this by working in partnership with other community service organisations, the business sector, government and the wider community.

The programs run by Investing In Our Youth are;

The POD - providing support and resources to the education and care sector.

HIPPY Bunbury-Collie a free two year early learning program empowering parents and carers to be their child's first teacher.

Child and Parent Centres located in Carey Park and Collie these centres are family friendly offering programs and services to parents to help children learn in their early years.

RYDE – providing young people the opportunity to complete their 50 hours of supervised driving experience with one of our volunteer mentors.

End2End – the opportunity for young people in Withers the area to obtain their license from beginning to end.

Yallo – A community centre in Dalyellup partnering with Milligan.

Investing In Our Youth is managed by a voluntary board. More information is available at www.investinginouryouth.com.au.

We are an Equal Opportunity Employer and strongly encourage all people, including Aboriginal and Torres Strait Islander people to apply.
